

**Instructions:**

All parts of this homework is due on Thursday August 26, 2021 at 11:59PM EST.

Part 1 can be found under the Quizzes tab on myCourses.

Part 2 must be completed and solutions must be uploaded to the Assignments dropbox on myCourses as one pdf file following the instructions on the syllabus.

Part 3 is a recommended set of problems.

**Part 1**

Take the HW0-Part1 quiz on myCourses.

**Part 2**

Tell me a little about yourself by giving short answers to the following questions. Each question will be graded out of 10 for completeness. You can score 2 bonus points per question if you use  $\text{\LaTeX}$  to format your solutions (see the template on myCourses).

1. What's the most interesting thing you learned this summer?
2. Tell me something you already knew about graphs.
3. What is something you want to learn about graphs this semester?
4. What is your favourite building?

**Part 3 (Recommended problems)**

None this week. Try to get in the habit of keeping up with the readings/videos.
