

Alex Jacob

PHIL-103

Assignment 2

1)I know that from the second we are born, we will eventually die because that is the one guaranteed thing in this life.

2)I know that I had surgery when I was 8 because I have a scar to prove it.

3)I know that the GTX 1080 is superior to the GTX 1060 because the 1080 has a significantly higher core count.

4)I know that I am a RIT student because I am a full-time student taking classes at RIT.

5)I know that the US Samsung Galaxy S10 used a Snapdragon 855 processor because the official website says so.

6)I know that I have brown eyes because I can see them in the mirror.

7)I know that Welcome to the Black Parade is My Chemical Romance's most listened song because it has been listened to over 20 million more times than any other of their songs.

8)I believe that Jimi Hendrix was the greatest guitar player to ever live.

9)I believe that AC/DC is the best rock band to exist.

10)I believe that Goku is the most recognizable shonen jump character of all time.
